

LTP PREMIUM COURSE 1 Year Curriculum

Learn-Thai-Podcast.com | Learn Thai Quickly & Easily!

Introduction

With our over 700 lessons we take you from learning the basic grammar to speaking and understanding modern Thai or even reading and writing Thai step by step.

This 1 year curriculum is just a suggested learning schedule. You can download and keep all lessons on your computer so you can learn at your own pace. The course enables you to access lessons at any time. So if you want to start learning with intermediate lessons earlier, no problem.

The course gets you started with speaking Thai as quickly as possible. You start learning by listening and understanding basic Thai conversations, learn Thai grammar, and build up your vocabulary foundation in the first weeks. This helps you to understand the basic structure of the language and makes sure you develop a natural feeling for forming and using Thai sentences.

After that, with our intermediate lesson cycles, the focus shifts more and more towards conversational Thai and how to speak Thai like a native speaker.

In advanced lessons you also learn more formal spoken Thai like you can see on Television talk shows or news reports.

It is more efficient to learn a language with frequent short learning sessions instead of learning just once or twice a week for 1-2 hours.

Example of a weekly learning schedule

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
10 min Vocabulary Lesson 15 min Grammar Lesson	10 min Vocabulary Lesson	10 min Vocabulary Lesson 15 min Review Lesson	10 min Vocabulary Lesson	20 min Vocabulary Trainer 20 min Conversa- tion Lesson	10 min Vocabulary Lesson 20 min Weekly Review	

You can find more tips on how to learn efficiently in our study guide.

Week 1

Vocabulary Lessons

1. Adjectives that describe feelings
2. Adjectives that describe people
3. Adjectives that describe people
4. Adjectives that describe things
5. Adjectives that describe things

Learn-Thai-Podcast.com

learn Thai quickly & easily with video and audio lessons

Plus many more lessons...

Most lessons in this curriculum are the lessons we did in the last two years. Right now we are updating all lessons. Some of them get some extra examples or more details and all lessons will be published in our new video formats within the coming months.

We are also constantly adding new lessons to the website, so you can expect many more lessons, plus additional workshops for certain topics within your 1 year course.

We already have another 50 vocabulary lessons for example that are not in this curriculum.

If you have any questions feel free to send us an email to learnthaiPodcast@gmail.com or sign up today, absolutely risk free with our 30 day money back guarantee.
